## 1. INTRODUCTION

Old Surkhandarya has been recounted since ancient times by the present invention of the material and spiritual culture of the modern culture of Uzbekistan. We have had the opportunity to make the most of the information, as we have been able to provide information about our country, our cultural heritage, the ancient traditions, and our grandchildren, the ancient national dishes, our national cuisines, the national heritage. Surfers of ancient writers have had the opportunity to show that they have a good chance of being able to grow. First of all, the first President of Uzbekistan I.A. Karimov emphasized, "Without the people who are thinking of us, if we do not regulate the history of our people, our nation, the rules are voluntary, and we have the courage to do so. If you want to make sure that you have the opportunity, you will be able to move on, even with the knowledge of our beloved family, even our scholars. "

That is why we think this idea is based on the ancient Surkhandarya's ancient and modern-day archeological events, the nomadic dresses, the name of the national music, the national culture, the national music and the national dance, the national cuisine. Justify the information provided by the libraries based on the facts.

## 2. MAIN PART

Ethnography - The exact opposite is the fact that humanity is the subject and the heart is clear. Ethnography is ancient Greek pyramids - "Ethnos" ("people" and "graphic") (literal, descriptive) words that mean that the quality of life of the deceased was the last century. This was the title of Johan Zummer, the founder of the Nomination, which was first published in 1808. The scientific-publication magazine "Ethnography" was first published in 1808. Ethnography has been offered by the French-born physicist and physicist Jean-Jacques Amper.

From the famous scientists of T. Juzayev, K. Shonyazov, J. Jabbarov A.Muhammadjonov, Barkarisheva, and others in the field of works and workshops. In Asia, natural resources of the material and moral culture of the traditional Mongolian muscles are now preserved in white silk. These ringing-tearing-downs are usually formed during the centuries, or in the composition of this composition, the socioeconomic conditions, the traditional appearance, the history of the past. Of course, every nation and elite have a national identity, a national identity, and an alliances to the general public. Surkhondarya is a lightweight, fragile and colorful shade. In the late 19th century AD, the last century of the twentieth century was dominated by ancient Rome, ancient times. Because wool, textiles and craftsmanship are constantly consumed in the field.

Undoubtedly, the Uzbek people are separated by the national anthems.

Marriage or forced marriage, dress-ups, dress-dresses. Also dresses are celebrated.

The bridegroom has a hard time gaining weight:

Thanks for the quote:

No time has come to solve the crisis. The ancient Surkhandarya which has been the first of its kind in the Middle East, is a national holiday of our national dresses, which is dedicated to the creation of the Caucasus. From our grandparents', our inheritance is our treasure of appreciation. When Uzbekistan gained independence, our national and world-renowned Australian artists were struck down. The ancient name of our dressers is that we have a lot of muscles in the muffins, chunks, cats, and dumbbells. He did not know what he was talking about. The humanities in the society are the position of the living, the living and the time, the life of a stronger orchestra.

## 3. CONCLUSION

Our goal is to make our friends feel free to talk about the past, present and future generations of traditional, extravagant, narrow-minded, unmistakable dishes, and our musical instruments.
