A just ruler country Railroad and the introduction of new rules . Russia is increasing economic , military , political and cultural aspects. Now look at information about St . Peter`s preview.

Alexei Mixalovich youngest son was born is 1672 . Who died in 1725 . Born in Moscow died in St.Petersburg. His have brothers and sister Nathalia . 1682 was the Russia king . But the throne in 1689 occupies a full sister Sofia after the downfall of the throne . He is interste in the mysteries of the ship . 1680 study in ship . 1684 was sailed across the Yanzi Lake Pereyaslovskayl founded a shipbuilding plant .Russia , Galle , England , Denmark Admiral . Establish a regular army in 1699 . Peter no creating a powerful army , but it also establishes . Song of the introduction of compulsory military service . He said Russia is a powerful country and to expand the territory of the country engaged in fighting . 1695-1696 years Battle Azov , in 1702 battle Notenburg , 1708 in the battle of Leshayo in 1709 in the battle of the river , by the army in the battle of Poltava .

He Gruppe country with a strong Navy to be worked out in the Baltic Sea .Therefore , the war against Sweden . It took the name of fighting the war in the history of the North . The war ends with the victory of Russia . That same year , the city of Finland Nishdad signed a ceasefire agreement . Sweden in 1702 during the with the Swedens occupied the town and the capital of the Russian Empire , the city will be built in St.Petersburg . 27 may in 1703 and the founding of St. Petersburg into the Russian Empire capital . SP in 9-10 centuries novgorods (known as the 13th century , has passed the land) . SP place in the Republic of Novgorod in the 15th century village . The structure of the Russia state in 1472 . At the beginning of the 17th century Swedish invasion of the

Neva coastline , oxtail Delta Niyenshans fortress built . Russian troops occupied the Castle on May 12 , 1703 and 16 May (27) Peter I Zayachiy o. da Petersburg (Petropavlovs) later founded the Castle 1703-1704 Kotlin Kronshlot castle (built in 1723 Kronshtadt) 1704 years left edge of the Neva Admiralteystov established .1705 Admiralteysto fortress built around it . Petersburg competed and the assault took place in Narva . His prints taken during the Kamchatka to the Caspian coast . He just makes the rules and powerfull ruler in his country . He only resigned from the will of the male ruler banned from generation to pass it on . Law prohibiting girls is marry without the consent of . He spent so truth his wife . Whelan Moni will be sentenced to death on November 13 in 1724 . November 16 , to death by hanging in St. Petersburg . State could consult his wife Catherine .

Regrets that the two before Peter`s death .
The first mosquito defeat of Turkey .
The failure to obtain revenge for the execution of Khiva Cherkavskiy.

Coming to the age of 23 Khiva from to Yarkent submission to be able to move . For this reason , try to open the trade route to India . Spend 30 years in Central Asia Orginally from the city of Yugoslavakia Rage nationality Italian Benevini sent in 1728 . Some sources said he died pneumonia data fount . 28 january(8 february) in 1725 died St . Petersburg . Take the throne after that of his wife Kathirine .

Peter`s reforms , researchers in two stages : in the history of 1715 years , and then (V . I Rodenkov , A. B . Kamenskiy) In the second stage , after the military action already in enemy territory , reaching structural changes . Power apparatus further strengthened , not only to satisfy the needs of the military enterprises , but also in the production of consumer goods for the popular the state regulation of the economy is a little weak , traders and entrepreneurs are given a certain freedom of action . Basically , the reforms , private property , but did not submit to the interests of the state as a whole : Its prosperity and to meet with Western

European civilization . The main objective of the reforms in Russia able to compete with the countries of Western military and had to be one of the leading forces in the world .

Obviously Peter did not just the king Russia into a powerfullstate . It has created new lawsregulations . He Empire lived nearly 200 years only to St. Peter`s and the time of Ekaterina II news comes from other countries . Russia culture flourishes . In particular Peterisagreat contribution to the development of science knowledge in Russia . Religious Slavic alphabet instead of creating civil alphabet . The first newspaper and translations of foreign books . Julian calendar , introduced in the country . Peter is interested in ships .Europon countries to learnthe secret of the ship . Shipbuilding and learned carpentry as 14 different crafts . The first Russian gymnasium was founded in 1705 . School of Mathematics and navigation in 1701 . Scholl of medicine in 1707 . Naval Academy in 1715 . School of Engineering and arteleriya in 1719 . mad so many travel news . In particular , defines the beard and the mustache and man . 1714 in king collections are moved to the summer palace , and consist of Kunsamera . For guests who visited here two kinds of drink . He was sitting on the throne of Russia was a backward state . The development of trade and industry in order to reform the country`s . The first brought potatoes to Europe . Peter`s interest in gardens and plants supplier to European countries . To control the fiscal position in the . Indian appeals to the Russian agency .Peter`s reform was aimed to overcome the crisis . Result meets Russia became a member of the international political games . It is based on the effective management of Russian culture axis.

Russian still remember with pride and Peter brought him the country`s highest peak .

Peter improved the every round the country , but more countries remained krepasnoy and for the future of this country has became unsafe . Peter then exchanged many rulers . But peter strong , established by the State in which the current culture , procedures have been installed , and achieved good results in the expansion of areas of the country round . After some of the great ruler , developed by state (the Soviet Union) and some cultural life (Catherine) have introduced laws . But all of this was embodied Peter . Peter`s great for even the bodies of the Pacific Ocean in the North expedition . Each of us , like Peter little Should contribute to the education of youth . Parents raising their children , school teachers more give Peter and the other major parties for children it is appropriate to create a unique idea that films . Today , young people in school history teachers over the course of lobbying interesting new government figures more interesting and effective interest of children . They are such a great person try to be understanding about the need to . In addition , each day of the rest or twice a week to make films about historical personalities and students know that they are descendants of

persons and must be proud of . More need to prepare for any period in in the history of movies . Then the students for the past period of life even through the TV with the idea of life at that time to the present period of life , and they need to understand the opportunity hand . Each of us , like Peter , must learn from history and try to leave a trace in history .Peter , for contribution to the development of the country . The Russian people are still proud of Peter . Proud that the young people of his generation .

Peter is a great person to be still enough time and opportunity to .
